Officer's  
Report**

**ITEM 8.1: SENIOR WEEDS OFFICERS REPORT – AUGUST 2017**

This is my first report as Senior Weeds Officer for Castlereagh Macquarie County Council. With passion, goals and inspiration I commenced my role Monday 17<sup>th</sup> July, 2017 after farewelling John Unwin who is now enjoying his well-deserved retirement.

My previous roles as Weeds Officer and now Senior Weeds Officer has given me ample opportunity to attend the Opuntia Workshop / Hudson Pear Taskforce Meeting in Lightning Ridge, NWWAC meeting in Gunnedah, NWRWC meeting in Narrabri and the RSWMP meeting in Dubbo. These meetings have been supportive with much discussion involving the new Biosecurity Act 2015 which became effective 1<sup>st</sup> July 2017.

Our CMCC Weeds Officers from Coonamble, Gilgandra, Walgett and Warren have completed both the online and face to face training for the Biosecurity Act, with more training expected February 2018.

The MVWAC Weeds Display Trailer has been busy circulating the district shows at Gilgandra, Coonamble, Walgett and the Lightning Ridge Opal Festival. We will also be attending the Big Day out Street Party for the Bulldust to Bitumen Festival in Walgett Saturday 12<sup>h</sup> of August. These displays are rewarding, educational and give opportunity to interact with our community and guests.

In June our CMCC Weeds Officers combined as a team for 5 days at Cumborah Reserve to treat Hudson Pear, this was a very successful event.

My goal as Senior Weeds Officer is to support our inspectors and serve our County to the best of my ability.

Andrea Fletcher  
Senior Weeds Officer
