#### **Suspension of Standing Orders**

At this point in the meeting Clrs Batten and Woodcock moved the suspension of standing orders to discuss the possibility of each council running its own weeds function.

Clr Batten raised the scale and capacity issue which is the focus of "Fit for the Future" local Government reform considerations. He raised chain of command issues and suggested the possibility that one council could take over the running of the weeds function under Section 355 removing many of the short comings of the County Council approach and at the same time improve the level of supervision.

Clr Coe commented that Section 355 committees primarily had an advisory function and still only made recommendations which had to be considered at a council level. He believed that a contract arrangement would be needed for this approach to work effectively.

At this point Clrs Batten and Coe moved the resumption of standing orders.

#### **Item 7.8 Grant Funding**

**Recommendation:** That Council maintain a watching brief over the impact of new legislation on Council's traditional funding sources.

#### ITEM 7.2: Organisational Restructure report – UPDATE - April, 2015

**REPORTING SECTION:** General Manager

**AUTHOR:** Don Ramsland – General Manager

**FILE NUMBER:** 

#### **Summary:**

At its meeting on 5 March, 2014 Council resolved in a twelve point resolution to undertake an Organisational restructure of the CMCC.

This report details progress with regards that decision and seeks further direction where outlined.

#### **Background:**

Council's resolution of 5 March, 2014 was as follows:

#### 1. Implementation of Organisational Restructure

**Recommendation:** For Council's consideration

05/14/13 Resolved:

#### That:

- 1. Council re-determine its organisation structure pursuant to section 333 of the Local Government Act 1993, by reducing staffing levels to five (5) full time weeds officers plus a full time supervisor, with such change to take effect on or before 30 May 2014.
- 2. Council authorise the General Manager to take all necessary action to give effect to resolution 1 above and to comply with the Council's obligations under the Local Government (State) Award 2010. Such action includes but is not limited to, notifying the employee(s) who may be affected by the change and the union(s) to which they belong, and discussing measures to avert or mitigate the adverse effects on those employees.
- 3. Without limiting the above, the General Manager is directed to take appropriate action to eliminate or reduce the Council's obligation to pay severance pay to employees who may be affected by the change in resolution 1 above. Such action may include, but is not limited to, facilitating the redeployment of displaced employees within constituent councils or Local Land Services and applying to the Industrial Relations Commission of New South Wales pursuant to clause 35(xv) of the Local Government (State) Award 2010 for an order authorising the Council to pay a lesser amount or no amount of severance pay if the Council obtains acceptable alternate employment for an employee.
- 4. Council establish a moratorium of twelve months in respect of the re-employment any staff made redundant by Council or any constituent council.
- 5. Council advise the Division of Local Government and Council's Auditor of the course of action being taken to restore Council's financial viability.
- 6. Council explore the possibility of short term interest free loans/advances of up to three years from constituent councils to fund the cost of the restructure pending the realisation of Council's surplus built assets.
- 7. Council approach it bankers to establish an overdraft of up to \$300,000
- 8. Council invite expressions of interest from constituent councils to provide Council's administrative/accounting function
- 9. Council continue negotiations for the disposal of the Coonamble Freight Agency

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

- 10. Council immediately commence action for the sale/auction of surplus depot facilities at Coonamble and Coonabarabran.
- 11. Council, as part of the restructure process, transfer an appropriate sum to a cash backed employees leave entitlements reserve by 30 June 2104.
- 12. Council prepare a mini-budget which reflects the above actions for consideration at its April, 2014 meeting.

Moved: Clr Batten Seconded: Clr Shinton

#### **Current Position:**

It is proposed to comment on the current position point by point.

#### Point 1

Covered by Council's resolution

#### Point 2

All staff and the relevant union were notified of Council's intentions and discussions with staff and the union have now been concluded.

Seven staff initially requested voluntary redundancy; four requests have been accepted with three staff now terminated and a fourth to finish up in early July. Requests from the two Coonabarabran based staff have been put on hold, two requests have been declined and the situation at Gilgandra and Warren will be determined once applications have been called for the vacant Warren based position.

External applications for this position were invited in January, 2015 with a view to making a permanent appointment shortly.

The services of the Chief Weeds Officer were terminated on Friday 28 November, 2014 by making that position redundant pursuant to Clause 39 of the Local Government (State) Award 2014.

Council's Organisational Structure has been revised with a new position of Senior Weeds Officer replacing the former role of Chief Weeds Officer.

Mr John Unwin is now acting in the Senior Weeds Officer's position and for the time being at least the position will be based at Coonabarabran. As a result, I have reconsidered the need to terminate one of the positions at Coonabarabran and am considering whether or not we will receive sufficient grant and private works funds in the near future to have three Weeds Officers sharing the work in both Warrumbungle and Gilgandra Shires. In February, 2015 the second operator at Coonabarabran resigned to operate a full time contract spraying operation.

#### Points 3 and 4

No staff member has sought redeployment with constituent Councils. Award Consultative and WH&S Committees are in the process of being established with the staff remaining and these are already proving to be valuable communication channels.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

#### Point 5

Both the Office of Local Government and Auditor were been verbally advised of the action being taken. A plan of action was submitted to the Office of Local Government and this will be followed up formally once the revised QBRS to 30 November, 2014 and 2014/15 Budget and Operational Plan have been endorsed by Council. The Office of Local Government and Council's Auditor have also been advised of the outcomes of the auction sales held on 3 March, 2015.

#### Point 6

All five constituent councils indicated they were prepared to make advances of \$50,000 to the County Council subject to repayment within three years, subject to all councils agreeing to participate. A correction of the accounting treatment of these advances will be made in the 2014/15 financial statements by way of Note 20 c.

#### Point 7

Council's position has been discussed with Council's bankers and an application for an overdraft of up to \$300K submitted for consideration. However, the bank has raised a difficulty with obtaining security and it is believed following this course of action should be deferred now that all the constituent councils have agreed to make the required advances.

#### Point 8

As only Walgett expressed an interest in providing administrative/finance support services at an initial fee of \$25,000 per annum for the provision of these services commencing from 1 July, 2014, this approach was accepted and changes in Council's address for the service of notices, email address and telephone and fax contact details have been initiated. Council's main computer has been relocated to the Walgett Shire office and accounts are still being operated under the MYOB software package.

#### Point 9

The Coonamble freight agency was closed with effect from 9 May, 2014.

#### Point 10

Action for the disposal of the two depot facilities at Coonamble and Coonabarabran has been delayed and the auction of the Coonamble property was held on Tuesday 3 March, 2015 after being delayed by adverse seasonal conditions with a dispersal sale of surplus plant and equipment being held on the same day. The old light truck used for the freight operation has already been sold.

An alternative depot location in Coonamble is currently being negotiated. In the short term, to allow the settlement of the sale to be finalised, temporary storage facilities have been secured in a nearby storage facility. Preliminary discussions have been held with my counterpart at Warrumbungle Shire with regards the Coonabarabran Depot.

#### Point 11

Provision was been made for \$80,000 to be transferred to the ELE as at 30 June, 2014. Funding for ELE is also being provided for from the cash advances being provided by constituent councils. The ELE Reserve was used to fund the majority of the long service leave payout due to the former Chief Weeds Officer following his redundancy.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

#### Point 12

Due provision for the actions detailed in Council's resolution were made in the November, 2014 QBRS, the Budget and Operational Plan for 2014/15 and revised Long Term Financial Plan. These have been further updated in the March, 2015 QBRS.

Any other Councillors' queries will be discussed at the meeting.

#### **Stakeholders:**

Castlereagh Macquarie County Council Council Staff Constituent Councils

#### **Governance Issues:**

The process and procedures set out in the appropriate industrial legislation have been followed in implementing Council's resolution of 5 March, 2014

#### **Environmental Issues:**

Not applicable

#### **Financial Implications:**

Council secured agreement for advances of \$250,000 from constituent councils which allowed the restructure to be undertaken commencing in May, 2014 and completed in the 2014/15 financial year.

An auction sale of the Coonamble depot facility was held on 3 March, 2015 along with the sale of surplus plant and equipment. Council authorised the Mayor and General Manager to fix reserve prices and expedite any other necessary arrangements.

Avenues have been explored to initiate an automatic full on-cost recovery process for all grant works and private works so that accurate year to date costs are available at all times but this has not been possible under the MYOB system. An alternative manual system is now in place.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

#### **Legal Issues:**

Council has been mindful of its obligations under industrial legislation as it embarked on a process of downsizing.

#### **Alternatives/Options:**

There are a number of measures that can be utilised in undertaking a downsizing operation, but above all the principles of procedural fairness and natural justice must be observed at all times.

#### **Conclusion:**

It is to Council's credit that it has been prepared to take the tough decisions to address its current financial dilemma and turn the financial situation around. Other issues outside Council's control including the establishment of Local Land Services, the current review of noxious weed management and more recently the NSW Office of Local Government's "Fit for the Future" initiative have now come into play. This report notes progress being made in relation to the restructure process

#### **Recommendation:**

That Council receive and note the General Manager's report in respect of the progress in the Organisational Restructure process and endorsed the action taken so far.

Revised integrated Planning and Reporting Documentation is being prepared for Council's meeting on Monday 20 April, 2015.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

#### ITEM 7.3 Quarterly Budget Review Statement Period Ended 31 March 2015

#### **Summary:**

An analysis of Council's actual income and expenditure to 31 March, 2015 has now been completed and a revised budget result forecast for the year ending 30 June, 2015, on present trends prepared showing the possible result if the corrective action resolved at Council's meeting on 6 March 2014 is taken in a timely manner.

These results are summarised as follows:

	Revised Budget Surplus/(Loss) \$	Revised Budget Surplus/(Loss) \$	Forecast Budget Surplus / (Loss)\$
Operating budget result	(56,461)	(14,787)	(71,248)
Capital Budget result	340,320		340,320

#### **Background:**

Financial information made available to councillors should adequately disclose council's overall financial position and provide sufficient information to enable informed decision making and ensure that council remains on track to meet the objectives, targets and outcomes set out in its operational plan and delivery program.

Mindful of this, the DLG has developed a set of minimum requirements that will assist each council in meeting its charter with regard to its finances and related responsibilities in respect of its operational plan and delivery program.

The requirements include how Council is tracking against its original and revised annual budgets at the end of each quarter and provide explanations for major variances that result in recommendations for budget changes. They also enable the Responsible Accounting Officer to indicate if council will be in a satisfactory financial position at the end of the financial year, given the changes to the original budgeted position.

Collectively, these documents are known as a Quarterly Budget Review Statement (QBRS) and are reported to council in accordance with the relevant legislation at the end of each quarter. The Local Government (General) Regulation 2005 - Regulation 203 made under the Local Government Act 1993 requires this report to be submitted to Council no later than 2 months after the end of the quarter.

Underpinning this is the 10 Year Long Term Financial Plan which forecasts the likely outcome over an extended period provided that there are no significant departures from estimated income and expenditure.

#### **Current Position:**

The Budget Review in the new format is attached. Provision has been made for both a functional item summary as well as a second document which breaks down the actual income and actual expenditure for the year into detailed line items and sets out the variations from the original budget in respect of the various line items. It is proposed to go over these variations in detail at the meeting.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

However in summary, and as a result of the carryover of redundancy payments from 2013/14, these variations reveal a revised net operating budget deficit for the period of \$71,248 after provision has been made for depreciation of \$20,000. On the positive side, we were able to forecast additional capital income of \$129,320 from the sale of surplus plant and equipment. There will be an adjustment between revenue and capital income to provide for the profit on sale of assets once the sale details have been finalised and this should eliminate to operating deficit in 2014/15.

This result is in line with the expectations voiced at the previous review following staff retrenchments and substantiates the need for constituent councils to be continually updated with the action being taken to a return to a surplus budget position

The major variations away from budget centre on redundancy payments to long serving staff insurance adjustments including provisions for motor vehicles, employment overheads (extended sick leave costing in the order of \$38,000), additional grant/private works income/expenditure for additional Hudson Pear control.

This QBRS sets out the recommended changes to the revised budget of (\$14,787) net. These are listed on a separate page along with reference to our key performance ratios and required declarations in respect of contractual arrangements, consultancies and legal expenses.

The attached LTFP spread sheet verifies that despite the deficit budget in 2014/15 as a result of the carryover of the payment of redundancies which include a substantial amount of long service leave, Council's financial sustainability in the longer term will not be impacted adversely as the planned sales of buildings, plant and equipment are going ahead as planned.

#### **Relevant Reference Documents/Policies:**

The Local Government (General) Regulation 2005 Local Government Act 1993, as amended DLG Circular 10/32 – Quarterly Budget Review Statement

#### **Governance Issues:**

The recent announcement of the State Government's "Fit for the Future" initiative provides Council with a degree of certainty in which to plan for the immediate and short term future.

#### **Stakeholders:**

Castlereagh Macquarie County Council Constituent Councils – Shires of Warrumbungle, Coonamble, Gilgandra, Walgett and Warren.

#### **Financial Implications:**

It is proposed to discuss the matter of extended sick leave in the confidential section of the meeting as the additional payments are impacting on Council's bottom line.

#### **Legal Issues:**

In the event of the County Council being wound-up, constituent councils would share in any surplus funds realised or be required to make good and shortfall.

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

#### **Alternative Solutions/Options:**

As previously advised, Council's financial position, both in immediate future and going forward needs to be monitored closely.

#### **Conclusion:**

Council current actions are aimed at rectifying a financial downturn that has been compounded by significant operating losses over the last seven years.

#### Quarterly Budget Review Statement – 31 March, 2015

#### **Recommendation:**

That the Quarterly Budget Review Statement the period ended 31 March, 2015 be received and noted, the recommended variations to the revised budget as detailed in the attached statement be adopted.

### CASTLEREAGH MACQUARIE COUNTY COUNCIL Quarterly Budget Review Statement – 31 March, 2015.

#### Statement by Responsible Accounting Officer

The following statement is made in accordance with Clause 203(2) of the Local Government (General) Regulations 2005.

It is my opinion that the Quarterly Budget Review Statement for the Castlereagh Macquarie County Council for the period ended 31 March, 2015 indicates that Council's projected financial position as at 30 June, 2015 will be satisfactory at year end having regard to the projected estimates of income and expenditure and the original budgeted income and expenditure.

This statement is made on the provise that the resolution passed at Council's meeting on 6 March, 2014 in respect of an organisational restructure of staff and associated issues is implemented within the timelines determined or as duly amended.

Date: 2 April, 2015

Don Ramsland - Responsible Accounting Officer - Castlereagh Macquarie County Council

#### **Budget Review - Key Performance Indicators Statement**

#### 1. Unrestricted Current Ratio

**Total – Capital Adjustments** 

At 1 July, 2014 this indicator stood at 2.13: 1 (est.) meaning that Council had \$2.13 of current assets to meet every dollar of current liabilities.

The organisational structure changes currently underway have improved the unsatisfactory situation which existed as at 30 June, 2013.

#### 2. Debt Service Ratio

As a 1 July, 2014 this ratio wasn't applicable as Council had no borrowings.

The accounting treatment for the \$250,000 in advances the County has sourced from constituent councils will be corrected in the 2015/16 financial statements.

#### 3. Building and Infrastructure Renewal Ratio

As a 1 July, 2014 this ratio was 0.00% as Council had made no provision for assets renewals

# ITEM 7.5: Hosting of Weeds Action Plan 1520 and Regional Project officer

**REPORTING SECTION: General Manager** 

**AUTHOR:** Don Ramsland – General Manager

FILE NUMBER: 000/00/00/00

# **Summary:**

To endorse action taken to lodge an expression of interest in hosting the 1520 Weeds Action Plan and the Regional Project Officer for two years.

# **Background:**

The Macquarie Valley Weeds Advisory Committee (MVWAC) has recalled for Expressions of Interest to host the 1520 WAP and the Regional Project Officer.

# **Current Position:**

After emailing Councillors seeking their advice with regards lodging an expression of interest and receiving support from all of those contacted, an EOI was lodged on 2 April, 2015.

A copy of the EOI will be tabled at the meeting.

# **Relevant Reference Documents:**

Expression of interest documentation - MVWAC.

# **Business Activity Strategic Plan Link:**

It would be appropriate for appropriate provision for financial considerations to be specifically addressed in any new legal documentation.

# **Legal Issues:**

Appropriate legal agreements should be in place.

# **Alternatives/Options:**

Do nothing

# **Conclusion:**

The MVWAC Expression of Interest process affords Council the opportunity to compete with other local organisations to host the 1520 WAP and RPO.

# **CMCC – Future of Depot Facilities**

# **Recommendation:**

That Council endorse the General Manager's action in lodging an expression of interest in hosting the 1520 WAP and RPO for an initial 2 year period.

# CASTLEREAGH MACQUARIE COUNTY COUNCIL **Meeting of Council** Held at Gilgandra Council Chambers

On 20<sup>th</sup> April 2015

# ITEM 7.6: Matters for Brief Mention or Generally for Information Only

**REPORTING SECTION:** General Manager

**AUTHOR:** Don Ramsland - General Manager

000/00/00/00 FILE NUMBER:

# **Summary:**

The following matters are listed for brief mention or information only.

# 1. Local Government Reform Update

Following the 2015 State Election and the appointment of a new Chief Executive Officer in the Office of Local Government, it appears to be a case of waiting for the dust to settle before gaining a clear picture of the re-elected Government's attitude to local government reform. In the intervening period it is intended to be able to gauge the CMCC's performance against the key bench mark criteria.

# 2. Western Weeds Action Programme.

A bid for the 1520 Weeds Action Plan has now been lodged through the Macquarie Valley Weeds Action Committee who is acting as co-ordinator for the Central Tablelands, Central West and Western Local Land Services. A summary of the CMCC five year funding bid will be tabled at the meeting.

# 3. New Website Work has recommenced on the CMCC's new website and it is anticipated that it will be up and running during May, 2015. **Matters for Brief Mention or Information Only Recommendation:** That the above issues for brief mention or information only as detailed in the General Manager's report to the April, 2015 meeting be received and noted. # Chief Weeds Officer's Report

Meeting of Council Held at Gilgandra Council Chambers On 20<sup>th</sup> April 2015

# **ITEM 8.1: Senior Weeds Officer's Report**

March 2015

Since last county meeting don and I have spent most of one day working out the funding application for the next 5 years, that was certainly an education for me, unfortunately in the midst of doing this Northwest LLS rang to ask us to Split Walgett Shire off our application and submit a new one to NWLLS I don't know the result of this at the time of writing.

The Lands Dept. have asked to submit quotes on lands blocks at Merrygoen, the common at Mendooran and the fiveways, I have submitted quotes on all three.

Because of the dry most shires have been treating Pear species, Blue Heliotrope with Graslan and some summer burrs where there have been storms, blackberry has been treated in Warrumbungle Shire as they almost always grow where there is a moist spot or soak.

This concludes the County Report.
